

# ★ Of the 82 million reasons to take part in National Singles Week, the most important one is you. ★

## Take part in National Singles Week this September 16-22 by joining the American Association for Single People.

The **American Association for Single People** is a nonprofit group promoting equal rights for unmarried and single people.

Single people are discriminated against as employees, consumers, and taxpayers. We often pay more taxes and receive fewer employee benefits than our married counterparts.

**AASP** is reaching out to the 82 million single and unmarried Americans and encouraging them to join. A larger **AASP** membership base creates a single collective voice. This will get the attention of elected officials and corporate executives resulting in fair treatment in the work place, market place, and government policies.

By joining **AASP** you will make a difference in your life and in the lives of your single brothers, sisters, divorced or widowed friends, life partners, and unmarried parents.

Become a member by making a tax-deductible donation of \$10 or more. Surprise someone you know

with a gift membership. Members receive our newsletters and have full access to our website. Both are filled with vital information of interest to single and unmarried adults, including health tips, financial advice, legal information, and current news.
